

# Minutes of the Group Meeting

NL1C Project

Friday 9 May 2025

- **Chair:** Daming Chen
- **Secretary:** Daming Chen
- **Members:** Silin Ren, Emmanuel Philipose Antony, Weian Liu, Zixuan Li
- **Apologies:** None

## Time and Place

The group meeting for the NL1c Project (Sprint3-Week2-2) was held **online** via Teams at **7:00 pm on Friday 9 May 2025**.

## Quorum Announcement

The Chair announced that a quorum of the group was present, and the meeting was convened officially.

## Review of Progress

- Backend code requires adjustments due to change in database approach.
- Backend features currently include:
  - Basic movie information listing
  - Detailed movie information retrieval using TMDB ID

## Key Discussions

### Milestone 1 Report

- The report is due this Sunday.
- Using Milestone 1 GANTT chart to fill activities form.

### GitHub Repository Branch Naming

- GitHub branch management needs restructuring
- Implement feature-based naming convention
- Create document branch structure

### Testing Plan

- Create testing plan after branch structure is finalized
- Implement user credential collection

## Next Steps

| Task                                                                                                                  | Assigned      |
|-----------------------------------------------------------------------------------------------------------------------|---------------|
| Milestone One Report (Due Sunday)<br>- Complete diagram by Saturday evening                                           | Weian, Zixuan |
| GitHub Repository Organisation<br>- Create and manage branch structure<br>- Implement feature-based naming convention | Daming        |
| Continue work on user profile page                                                                                    | Emmanuel      |
| Continue work on backend database design                                                                              | Silin         |
| Push movie description code                                                                                           | Emmanuel      |
| Plan front-end and back-end integration for next week                                                                 | Daming, Silin |
| Create testing plan after branch structure is finalized                                                               | Weian, Zixuan |

## Adjournment

The next group meeting will be held online via Teams at 7:00 pm on Monday 12 May 2025.

The meeting closed at 8:00 pm.
