Agenda

Secretary: Daming Chen

Attendees: Silin Ren, Emmanuel Philipose Antony, Weian Liu, Zixuan Li

Apologies

None

Purpose of the meeting

- Discuss task allocation for the Milestone 1 report.
- Discuss GitHub branch naming issues.
- Discuss the front-end and back-end integration plan.

Task progress update display

Present the project's progress if needed.

Discussion of issues and obstacles

1. Milestone 1 Report

- Only the table file in the assignment template needs to be completed, by one to two people.

2. GitHub Branch

- `main` : The branch for the production version.
- `development` : Latest project progress
- `documents` : Documentation storage.
- `frontend_[name]`
- `backend_[name]`
- ...others

3. Front-end and back-end integration

- to be merged into the reorganised main branch.

4. GitHub README

The next work arrangement

- Clarify the goals and tasks for each person
- Milestone 1 report

Note:

- The Next client meeting will be held on 12 May 2025.
