Secretary Weian Liu

Members Silin Ren, Emmanuel Philipose Antony, Daming Chen, Zixuan Li

Apologies None

1 Time and Place

The group meeting for the NL1C Project (Sprint 5 – Week 1) was held online

2 Quorum Announcement

A quorum of the group was present, and the meeting was duly convened.

3 Purpose of the Meeting

- Address Dr Lee's newly-requested features and UI feedback.
- Discuss mobile-device testing issues (especially iPhone compatibility).
- Assign weekend tasks for bug fixes, UI improvements, and presentation preparation.
- Plan testing schedule and bug log delivery.
- Outline presentation structure using user-scenario demonstrations.

4 Discussion Summary

4.1 Feature Requests & Bug Fixes

- Emmanuel will fix the teaser / trailer button error handling.
- Dr Lee asked that movie rating indicators be made more prominent and that posters be enlarged.
- Comment styling and optional timeline display were discussed; implementation left to team discretion.

4.2 Mobile Responsiveness

Silin reported layout issues on iPhone devices. The team agreed the platform must function on common mobile devices before the final demo. Weekend effort will focus on responsive fixes and testing.

4.3 Testing & Bug Log

A comprehensive bug log will be compiled by Saturday, enabling developers to tackle high-priority issues over the weekend. Remaining untested features will be verified as part of this process.

4.4 Presentation Planning

The presentation will showcase the software through five user scenarios drawn from existing use-case descriptions. Weian and Zixuan will draft a presentation plan and template by Monday for review.

4.5 Task Allocation Summary

- Emmanuel — Fix teaser/trailer button bug; review poster size adjustments.
- Silin — Investigate iPhone compatibility; coordinate UI/UX improvements.
- Daming — Implement revised reviews component and assist with poster enlargement.
- Weian & Zixuan — Draft presentation plan/template; compile bug log and to-do list.

5 Action Items

1. Compile and circulate full bug log by 31 May 2025 (Weian).
2. Fix teaser/trailer button error handling by 02 Jun 2025 (Emmanuel).
3. Resolve iPhone layout issues and general mobile responsiveness by 02 Jun 2025 (Silin).
4. Update reviews component and poster sizing by 02 Jun 2025 (Daming).
5. Produce draft presentation structure and template by 02 Jun 2025 (Weian & Zixuan).

6 Adjournment

The next team meeting will be held on Monday 02 Jun 2025
